**Xotic Case™**  
Protect Your Health and Your Phone

## **Embedded with 99.9% Pure Germanium Healing Stones**

- Health risks of Electromagnetic radiation from Mobile phones are now a proven Scientific fact.
- **Germanium:** Facilitates the Conductivity & Flow of Bio-Energy.
- Germanium stones absorb heat from hands and release negative ions.
- Negative ions have been found to facilitate the delivery of oxygen to body cells, which stimulate bodily functions and rejuvenation, increase flow of oxygen to brain results in higher alertness and mental energy.
- Studies have also shown negative ions help to lift mood, alleviate depression and stimulate the body's reticuloendothelial system
- Ever wondered why air feels more invigorating and you feel fresher when you are near a waterfall or high in the mountains?
- **THIS IS DUE TO THE ABUNDANCE OF "FEEL GOOD" NEGATIVE -IONS IN THE AIR.**

EMF from electrical wiring and gadgets, mobile phones and high tension wires can disrupt the body's bio-energy to cause tiredness and other serious health problems.

## XOTIC CASES & DOCKING STATIONS

Always have your iPhone in view and fully charged. We start with solid billet of aircraft grade aluminum to form an elegant and easy to use iPhone case and charging docking station. CNC Machined and hand assembled in Canada. Xoticcase & docking stations will perfectly compliment your office desk, Kitchen or bedside table. Each case and docking station is hand polished to achieve satin smooth finish similar to your Apple™ Mac™ products.
